Moon Landing 40th Anniversary

Some moments are indelibly etched in a generation's memory. Like the now-classic promise of „one small step for man; one giant leap for mankind“ spoken by Neil Armstrong as he first stepped onto the surface of the moon July 20, 1969.

Zipper renews that historic memory with the Moon Landing 40th Anniversary commemorative lighter. The granular Galaxy finish, exclusive for this lighter in 2009, sparkles when it catches the light like stardust caught in a moonbeam. The art is laser engraved to the media finish base lighter, resulting in a metallic silver image.

Framed Chrome

Zippo puts an intriguing spin on classic brushed chrome. The front and reverse surfaces are vertical brushed chrome, but the outside edge surfaces are black matte. So is it brushed chrome or black matte? Both . . . it's Framed, a hot new look for an old favorite.

1935 Replica
I.026.035 #1935 · 49,95 €

1935 Replica

The 1935 lighter, one-eighth inch shorter than subsequent models and manufactured for less than three years, has been replicated in stunning detail featuring the original look and elements that made this lighter one of the most collectible in Zipper's history.

Like the original, the 1935 Replica features a three-barrel outside hinge joining the lid and bottom, an open hollow rivet that secures flint wheel to inside unit, a flat bottom case, and slashes on the opposite corners of the face and back surfaces. A distinctive bright brushed chrome finish and unique bottom stamp identify the 1935 Replica.

The 1935 lighter was the last of Zipper lighter production to feature the hinge on the outside of the case. Coincidentally, 1935 was the first year that company logos were applied to the face of the Zipper lighter, leading to the creation of the Zipper ad specialty division, later known as Zipper promotional products.

Bottomz Up

For decades, the Zippo bottom stamp has marked the authenticity of every genuine Zippo lighter. The simple system of dots and slashes, initiated to aid identification of lighters coming back to Zippo for repair, was later replaced by letters and Roman numerals, and still later by letters and digits signifying the month and year of manufacture.

Now Zippo is turning the whole system upside down ... literally.

Bottomz Up displays the traditional Zippo stamp not only on the bottom, but also on the top of the high polish chrome lighter. The conventional date code, showing month and year of manufacture, is stamped on the canned-style bottom while the canned-style lid is branded with the year of manufacture and the symbol identifying it as Bottomz Up.

This lighter marks the inaugural release of Bottomz Up.

A Lighter Style

From candelabras to birthday candles, the Mini MPL is everything consumers love about the original MPL, but just a bit more petite and a lot more colorful.

Ein Feuerzeug in handlichem Design

Von Kerzenleuchtern bis zu Geburtstagskerzen zündet der „Mini MPL“ einfach alles und erfüllt somit, was Zippo-Nutzern an dem Original MPL gefällt; dies allerdings ein wenig kompakter und viel farbenfroher.

Un briquet au design plus léger

Du chandelier aux bougies d'anniversaire, le "Mini MPL" allume tout et les consommateurs retrouvent en lui tout ce qu'ils aiment chez le MPL original ; toutefois dans un format un peu plus petit et avec beaucoup plus de couleurs.
